## General information for participants

Dear athletes, dear parents and officials,

## VENUE

**VERY IMPORTANT NOTE:** All ladies must use heel protectors for shoes, otherwise they will not be able to enter the hall. Any damage done by heels will be, unfortunately charged to the dancer that damaged the floor.

Venue is quite small, so good organization is the key. We provided two small changing rooms for competitor on the first floor. Also, on the first floor is a big open space which dancers can use as changing room. On ground floor are two changing rooms meant only for participants of DanceSport Europe Super Final of the Year. Due to lack of space we organized a tent connected to the hall with heating where will also be a place which you can use as changing room and find Beauty Code. Also, two toilets are in the ground floor. At the venue there will be spots where you can use oils, powders and water for shoes. Please, don't spill water on the floor. Next to the floor, there will be possible to warm up. However, we will have some breaks when you can try the dance floor as well. Around the venue is limited number of parking places so we strongly suggest you arrive by taxi (Uber / Bolt) since we are afraid that there will not be enough of parking spaces.
